We anticipate that this work will typically take between 8 to 12 hours at an hourly rate of £250 – 450 plus VAT per hour. (VAT is currently 20%)

The exact cost will depend on the individual circumstances of the matter. For example, if there is one beneficiary and no property, costs will be at the lower end of the range. If there are multiple beneficiaries, a property and multiple bank accounts, costs will be at the higher end. A mix of these factors and our fees will be in the middle range of the table below.

Please note costs referred to as “EXCLUDING VAT” the rate will be the amount applied according to legislation at the time. The current rate is 20% (April 2023)
